**MEDJET IS NOT INSURANCE.
WE'RE DIFFERENT, AND HERE'S WHY.**

Medjet is a membership program. Unlike an insurance company or platinum card service, we have **no deductibles, no claim forms and no monetary caps** on air medical transport costs. And for travelers under age 75, there are **no medical questions** or pre-existing condition clauses. Our members don't need to have a transfer deemed "medically necessary." Security and crisis response services are not dependent on government issued "hard triggers." Medjet memberships provide travelers with unrivaled control over their health and safety.

- ✈ Over 10 million travelers are hospitalized abroad each year. Millions more while traveling domestically.
- ✈ Over 2 million of those travelers require air medical transport that health insurances, travel insurances and platinum card benefits may not cover.
- ✈ Individual medical transports can cost \$30,000 to \$180,000.
